[url= [img] 09:56 FAE Racing World Tour - Past Event FAE Racing World Tour - Past Event FAE Racing World Tour - Past Event Winning in the darkness, this is what the FAE Racing WorldTour is all about. With lights flickering from the start and highly-trained professionals from all over the world driving the new-generation X-TREME 200, competitors have been in for an emotional rollercoaster experience, which has seen the Team P1 Support Factory Racing team take over the top step of the podium in the FIA F3 International Series. This is where the world of Motorsport truly comes to life: where your passion for motorsport is transformed into reality. A highlight reel of the WorldTour Season 2017.
