Free Download Genetica medicala covicRumors of a possible military coup in Moscow have reached the Internet. The media has covered the reports that the Russian armed forces have been dispatched to take charge of the situation. Many of the reports have their source in an article on Russian website, gazeta.ru, detailing a Russian military exercise on manoeuvres in Donbass. The drill, held in late March, was entitled 'Decisive Storm.' Russia sent its forces to Donbass in March 2014, as a response to the invasion of the country by the rebel forces. The drill reportedly included troops taking over the LNR and DNR and occupying the airports in Slavyansk and Donetsk, among other locations. The Russian military has denied it staged any drills. According to reports, Russian forces have entered neighbouring Ukraine. The country's Interior Ministry is also involved in 1cb139a0ed
